Dear CWA 7076 Members,

On Friday, December 12, 2008, the CWA 7076 Election Committee tentatively certified the results of the 2008 election. Those results appear on the following page.

We would like to thank of all those who participated in the election process, especially the candidates, volunteers, and those who by voting helped to determine the future direction of our union. We also offer a tentative congratulations to those—both veteran officers and the newly elected—who will be assuming positions on the 7076 E-Board this coming January. As our work comes to a close, theirs is just beginning.

As set forth in CWA election rules, these election results will become final 10 days from the date of certification (12/12/08) unless they are challenged for any reason.

Please direct any inquiries to the election committee at [elections@sea-cwa.org](mailto:elections@sea-cwa.org).

CWA Election Committee  
Doug Patinka, Chair
